Education

Boston University – Kilachand Honors College

Boston, MA

B.A. in Computer Science, Minor in German and Data Science. GPA 4.0

May 2028

Lee's Summit North High School

Lee's Summit, MO

IB Diploma, High School Diploma with Honors | GPA: 4.49 | Top 10 in Class

May 2024

Skills & Interests

Languages & Tools: Java, Python, C++, HTML/CSS/JavaScript, Shell/Bash, Adobe Suite, German, ASL

Strengths: Effective Communication, Consistency, Initiative, Collaborative Leadership

Distinctions: Brookline Robotics Initiative Board Member, Adobe Certified Professional

Highlights

- **Programming in Java, Python, and C++** with strong project leadership experience.
- **Collaboration and mentoring** through robotics and teaching roles.
- **Proven adaptability and initiative** in high-stakes technical competitions (CyberPatriots, Robotics).
- **Effective communicator** with experience managing projects, leading teams, and presenting technical work.

Experience

STEM Instructor

Overland Park, KS

Tech Academy

Summer 2025

- Taught programming, LEGO robotics, and digital media to students ages 5–14.
- Led classes of up to 22 students, balancing instruction with guided exploration.
- Prepared and delivered engaging, hands-on lessons fostering problem-solving skills.
- Collaborated with site managers and instructors to ensure a structured, energetic learning environment.

Head Mentor

Brookline, MA

FTC Robotics Team 17218 (Brookline Bots)

2025–Present

- Mentored an all-girls STEM robotics team in Java programming, robot design, build, and competition.
- Guided students through the engineering design process and competition readiness.
- Fostered technical growth in coding, mechanical design, and teamwork.

Leader of Programming, Website, Media, and PR

Lee's Summit, MO

Robotics Team, Lee's Summit North High School

2020–2024

- Led **Java programming** for four years, achieving globally recognized autonomous performance (Top 50 worldwide, 2022–2023).
- Rebuilt team website with modern responsive design and API integrations.
- Founded and managed the media team; directed PR campaigns to enhance outreach.
- Hosted annual summer camps for younger students, leading workshops in programming and media.

Cyber Security Team Lead
Cyber Patriots

Lee's Summit, MO
2018–2024

- Advanced to State Finals each year; twice to Nationals with “Best in Class” honors in four seasons.
- Led Linux security configurations, scripting, and optimization; mentored teammates on Windows OS.
- Recognized as Missouri's top performer in 2020, placing top 35 nationally while soloing on a six-person team.

Tournament Judge Program Manager
Speech & Debate, Lee's Summit North

Lee's Summit, MO
2020–2024

- Managed judge assignments and logistics across tournaments for four years.
- Designed a web-based database to automate scheduling, prevent conflicts, and streamline communication.
- Developed tools for postcards, notifications, and workflow automation, allowing tournaments to finish ahead of schedule.

E-Commerce Photographer
Goodwill

Blue Springs, MO
Summer 2024

- Captured high-quality product images using studio lighting and editing techniques.
- Delivered consistent photography meeting corporate standards.
